

CTR Liquatec

A chlorinated warewashing detergent that provides outstanding economy in any water hardness condition. Cleaning action ensures the toughest soils and stains are removed quickly and held in solution to prevent redeposition. Wash arms and washer walls stay cleaner longer due to Liquatec's unique self cleaning formula.

Use Instructions

ENCAPSULATED BOTTLE

Place the bottle into position. Lower the connector through the cap to commence dispensing.

DRUM

Remove the cap from the drum. Carefully place the drawtube into the drum. Slide the drum under the bench, away from foodstuffs or acidic chemicals. When the alarm on the dispenser signals that the drum is empty, replace drum immediately.

For further information contact your Ecolab Representative.
